Habilidades

Full Throttle!

You're a speed junkie who lives life in the fast lane.

When you're behind the wheel of a ride, you ignore penalties from the Nervous Condition and from Top Speed.

Once per chase, when you reach Top Speed, you gain 1 Adrenaline.

Crazy Stunt

(Cost ↗)

You're the reason why they invented those "Don't try this at home" disclaimers.

[Full Turn] When you're driving, you can make an absolutely crazy maneuver in order to win the chase. Destroy your ride and flip a coin.

- Heads: the Director fills in 1 Need box.
- Tails: the Director fills in 5 Need boxes.

If, after this maneuver, all Need boxes are full, you won the chase.

That's All?

You are hard to persuade and even harder to impress.

Gain a Free Re-roll for all rolls made to show courage, to withstand pain, and to resist threats or interrogations.

MANTIS STYLE

(RISING DRAGON, MARTIAL STYLES)

Your strikes are fast and precise, hitting the enemy exactly in their weak spots.

When fighting, you can always choose to roll Nerves instead of Brawn.

✂ Pressure Points: [Full Turn] Make a roll in Nerves+Dexterity against the Enemy's Defense. If you succeed, the Enemy takes a blow to a pressure point and loses one Feat of your choice. Roll a numeric die to determine how many turns it will take for the Enemy to regain that Feat.
