## Descripcion del personaje

Un tipo duro con un corazón de oro. Has visto todos los conflictos del mundo, has estado en casi todos ellos y los odias con toda tu alma. Te has unido a la organización sólo por que por una vez te da la oportunidad de proteger a los más débiles. Aunque tu especialidad son los puños, prefieres no pelear y resolver las peleas con tu carisma. Tú no empiezas las peleas, pero siempre las terminas.

## TROPE: Good Samaritan

**Nota: No es necesario apuntar en la hoja de personaje**

To you, helping others is the obvious choice. Doesn't matter if you have to hold the door or run into a burning building. If there were more people like you, the world would be a better place.
